

Hello beautiful being,

On Thursday evening, 3rd December, we celebrate
the last class* of this year with the theme

Dancing hearts!

This is the ultimate moment to experience, enjoy and share
the warm power of Biodanza together with us. We dance to
the Heart of movement, inspiration & existence, where
unity and uniqueness join harmoniously.

Until the dance!

Heart greetings,

Beatrix & David

www.danceyourlife.eu

* Of course there is still the Christmas Experience at 27th December as well!
